- **Sealing** : Single or double fold sewing at bottom, Rope or without rope available on top, Printing Available as customer's request

#### 2) BIG BAG (CONTAINER BAG)

Jumbo bags for petrochemicals are also available.

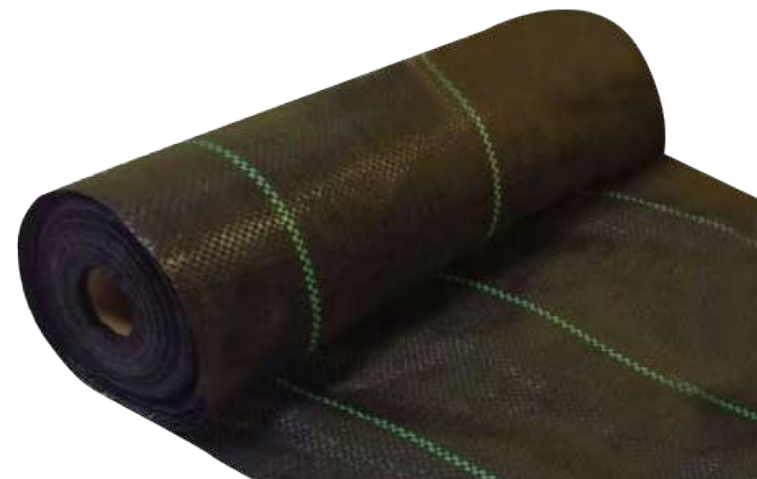

## WEED MAT

Weed mats are porous to allow water and fertilizer to penetrate into the soil beneath them for healthy plant growth. Any plant — including weeds — needs air, water and sunlight to grow. Weed barriers block the sunlight from the soil underneath them so that any weed or grass seeds will not grow through them to invade flower garden.

### 100% POLYPROPYLENE

- **Weight** : 100~150gram/sq.m
- **Size** : Width 0.5 ~ 2m, Length 5~100m
- **Color** : Normally black or upon request
- **Packing** : Export roll packing

## SAFETY FENCE

It is used for road construction, skiing ground as snow fence for the safety.

### SPECIFICATION

- **Color** : Orange or Black, any color available
- **Size** : 4' x 50M, 1 x 50m, 1.2 x 50m
